

What our clients say about us...

Bahama Beach Club

We are a small complex with eleven duplex buildings, of which three buildings lost entire roofs during Hurricane Charley and Francis last year. After seeing the frustration of dealing with the adjusters, our contractor recommended we contact the BCH Group. It was the best decision we ever made.

You will find the entire BCH Group, helpful, thoughtful, knowledgeable, and willing to go the extra mile to get you the insurance settlement you deserve.

Tiki on the Beach

Be advised the Tiki On The Beach Hotel is giving the highest recommendation to the BCH Group. Not only did the BCH Group deliver on the promises they made in all areas, the team went above and beyond the call of duty by helping us secure the property, as well as offer emotional support to the owners and staff when necessary.

If the hotel is ever again impacted by any casualty, I would not hesitate to contact the BCH Group. They will always be on my list of recommended vendors and I would refer them to any of my fellow business owners.
