To whom it may concern:

Enclosed is a check for \$6,488.63, full payment for Water Damage repairs at 850 Gardenia Drive.

I would like to take this opportunity to thank your company for providing us with timely and quality service. I would especially like to commend Troy for his expertise, commitment and reliability. He provided me with the valuable information that helped me to make an educated decision about repairing my home.

Troy also recommended Harvey Wolfman, public adjuster. He made this awful experience easy to cope with. It was less painful having Harvey by my side.

I will recommend your company to my friends. Thanks again.
